ETERNITY←A→CREATION→KINGDOM TYPE IN ISRAEL→KINGDOM TYPE IN PROHPECY→JESUS IS KINGDOM ANTOTYPE→NEW CREATION→Ω←ETERNITY

- **Biblical revelation finds coherence only in the person & work of Jesus**
- **The Bible & Jesus are both the Word of God**
- **Jesus is the goal & fulfillment of the Old Testament, embodiment of Truth of God, & key to interpreting the Bible**
- **Jesus is the Word of God in Creation, Judgment & Redemption in History**

The Fall-humankind desires to determine for self good & evil; not trusting in God's Word (*grace=Creation & Life*)

Jesus said the Old Testament is a Book about Him: His Life, Death & Resurrection

- **Luke 24:27; 44-45**
- **John 5:39-40,46**

Covenant of Grace-seed of woman will overcome seed of serpent (*Jesus fulfills*)

Abrahamic Covenant-righteousness attributed to Abraham for trusting in the Lord's everlasting promise of offspring who will be a blessing & land/place of rest (*grace=God initiates; creates an inheritance*)

Noahaic Covenant-God makes everlasting promise not to destroy all of creation again despite human depravity

The Davidic Covenant -everlasting promise that lineage of David will rule God's Kingdom in rest, yet kings still subject to the Law, along with all Israelites, & subsequent blessing & cursing within the Law; charged with building of Temple to illustrate One God=One place of Worship; prophets bring charges against Israel & foresee the need & coming of the Messiah (*grace=God provides means & understanding through His Word; Jesus fulfills & is the Christ of David's House & the eternal temple/place of worship*). **DAVIDIC LINAGE INTERRUPTED AFTER THE EXILE UNTIL BIRTH OF JESUS CHRIST**

Mosaic Covenant-reveals extent of God's righteousness & human unrighteousness in comparison due to fallen desire to determine good & evil without God; demonstrates human inability to achieve this righteousness on own; provides a means for humans, temporarily, to commune with God (*grace=God previously saved people from Egyptian bondage; Jesus fulfills ALL aspects of Law= sacrificial [temporary] & moral [to which all Christians are obligated, enabled by Spirit & written on our hearts, but trust in Christ alone who is without sin until our glorification]*)
***IMPORTANT TO DISTINGUISH BIBLICAL IMPERATIVES (what we're commanded to be & do; i.e. 10 Commandments) FROM BIBLICAL INDICATIVES (that which is already a fact; i.e. the free gift of salvation) Law illustrates Kingdom living.**
